October 2017 Update

Pacific West Real Estate Income II, LLC (**PWRE2**) is open to new investors. In a market in which it is very difficult to find investments with superior yields and not overloaded with debt, PWRE2 may be a solution to your investing needs.

- We use less leverage than REITS and other real estate managers, which protects our investors during market corrections.
- Our results have been very good for a very long time.
- Prior to PWRE2, the last time we were open to new investors was in 2014.
We expect PWRE2 to only be open to investors through the end of this year.

If you would like to talk through potentially investing in PWRE2, please give me a call or send me an email. A detailed private placement memorandum is available upon request.

We are happy to report PWRE2's second acquisition.

On September 1, we closed on **Rosemount Crossing** a 44,194 sq. ft. shopping center located in Rosemount, MN (a growing southeastern Minneapolis suburb). Three pads comprise the center, and they were purchased for \$7,619,320. One of the pads is occupied by an Aldi's grocery store, the other two pads are multi-tenant buildings that are 92.27% occupied. Tenants include Starbucks, Snap Fitness, Fantastic Sam's, Crystal's Cuddle Bugs Childcare, and Park Dental. Both Aldi's and Starbucks anchor the center, and both have recently agreed to long-term lease renewals.

Rosemont Crossing fits into one of Pacific West Land's classic strategies. We intend to sell the Aldi's portion of the center, and hold on to the multi-tenant portion. This will reduce our basis in the property and improve the yield.

The city of Rosemount is one of the fastest growing communities in the Twin-Cities metro area. The population in a five-mile radius of the Rosemount Crossing is approximately 35,000 people, and has a median household income of \$100,000. The property is located at the major intersection of County Road 42 and South Robert Trail, which has traffic counts of approximately 42,000 cars per day.

We are happy to report that all Pacific West Land owned and managed properties in the areas affected by recent hurricanes came through the storms with minimal damage. We had one property in Texas that had some water come under the door in a couple of suites. We lost power to our Florida centers for only a short period of time. Given the number of properties in the storms' paths that we own and manage, we were lucky.

PWREI signed three new leases in September. The first is a short-term lease for 3,210 sq. ft. at Gulf Breeze to Total Safety U.S., Inc, which specialize in safety solutions in industrial settings. Their previous location was flooded by the hurricane, hence their move to Gulf Breeze. The second is a 5-year lease to a Liberty Tax franchisee, for 1,154 sq. ft. in Castleberry. The third lease is at Dail Center, to Painting with a Twist, which is a 4.5-year term for 2,147 sq. ft. It is a painting studio that serves alcohol and hosts painting parties. With this lease occupancy has increased to 100% at Dail Center.

As always, please don't hesitate to call with questions, and we always welcome visitors.

Best –
